

People & Growth Based Leadership

Your Leadership Team is tasked with a big responsibility for building and retaining strong teams. This collaborative program will inspire them to engage and motivate a cohesive team that is customer-focused, dependable and productive. Bring your leaders together at Lambeau Field to recharge and reconnect.

THE PROGRAM INCLUDES: Morning session, lunch, afternoon session, and concludes with your choice of

- ◇ Lambeau Field Tour
- ◇ Hall of Fame Tour
- ◇ Activities at Titledown District

Morning Session

INSPIRING A WINNING TEAM

Overview

Command and control leaders may get short-term results, but they also get short-term employees. People and growth based leaders back away from providing all the answers and solutions and promote accountability. They develop, support and empower others by:

- Establishing Trust
- Providing Challenge
- Maintaining Focus

People and growth based leaders help others achieve success by:

- Understanding how to Motivate a Multi-Generational Team

Afternoon Session

Overview

People want to work for organizations with a positive environment, where they care about the well-being of their people. Organizations that provide this get more positive results by:

- Using Positivity as a Valuable Leadership Tool
- Leading with Empathy and Compassion
- Creating a Team Playbook
- Building a Positive Team Connection

We will also assist your organization with event planning: Reserving appropriate space at Lambeau, catering options, and tour/activities coordination. (Alternate venues upon request.)

Your Program Coordinators/Presenters

Mary Townsend has extensive experience supporting and developing leaders, teams and organizations. She is an effective coach and facilitator, guiding teams to build and maintain a positive workplace culture that is aligned with the critical components that inspire, motivate, attract, engage and retain great people.

"Mary's approach and interaction brought out the best of our team members. We thoroughly enjoyed working with her and realize how truly valuable her skills and assets are to an organization seeking to build a culture of trust and integrity."

Amy Baker has worked in a variety of industries promoting positivity and overall well-being within the workplace. This

diverse experience has shown her the massive impact that the attitude and energy of leaders and team members has on an organization, and has compelled her to successfully organize and implement Positivity Programs and facilitate Workshops.

"Amy's enthusiasm encouraged involvement and collaboration in developing and implementing a program that utilized some great concepts to positively influence cultural change."
